

It is an outrage for a holder of a privileged PUBLIC airwave to run Stolen Honor under the guise of a news program. Are you going to do something about it????????????

Sinclair's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of media consolidation danger.

It's more important that we see substantive news about issues that matter.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
